

Home Automation

GBE Group's home automation unit includes sales, maintenance & service.

- Integrate Audio & Video
- TV & AV Control
- Lighting Control
- Automatic Door Control
- Window & Blind Control
- Climate Control

With GBE Group, home automation is now more affordable than ever. Imagine a home that welcomes you the minute you step through the door. The lights turn on, the curtains open and your favourite music starts to play, while the thermostat automatically adjusts to your preferred temperature. Virtually everything you own is your's to control at the touch of a button.
