

Air Conditioning & Refrigeration (HVAC)

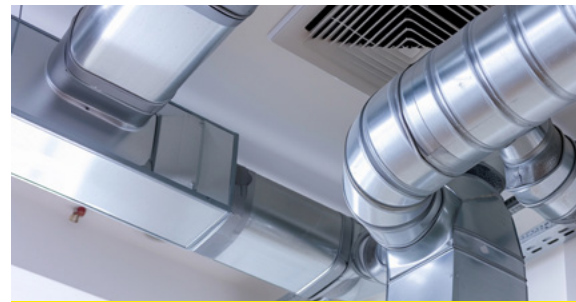

Commercial, industrial and residential air conditioning and refrigeration servicing, installation and statutory compliance.

- Preventative maintenance & equipment asset registers
- Breakdown diagnostics & repairs
- Split, ducted & commercial AC installations
- Cool room, freezer & refrigerated cabinet servicing
- Refrigerant leak testing & repairs
- Coil, filter & condensate drain cleaning
- Statutory compliance & temperature monitoring
- Mechanical ventilation & kitchen extraction servicing
- Equipment replacements, upgrades & retrofits
- Residential split system & ducted servicing

With over 35 years of continuous operation in the service industry, GBE Group's qualified and licensed technicians service all major air conditioning and refrigeration brands across commercial, industrial and residential sites.

We back every job with statutory compliance reporting, prompt service and value-for-money pricing, giving you one trusted contractor for scheduled maintenance and urgent breakdowns alike.

Contact GBE Group today to discuss a tailored HVAC quote.
